

Legend Press invite you to the
launch party of our latest top novel:

Silence

By Josie Henley-Einion

Jackie Harris, prison counsellor and ex-drag king, kills her lesbian lover's rapist in what she insists is self-defence. Looking back through her life, *Silence* portrays a troubled but resolute character struggling against the many obstacles and with her own identity.

Examining sexual violence and its repercussions, *Silence* is a gripping and stylish novel that questions the right of the media to scrutinise and control public judgement. When all is done, *Silence* is the only route for Jackie Harris to be heard.
